Dear First Responders,

In appreciation and respect for all first responders I am offering my services to do tax returns for each and every first responder (must have an I.D.) for **\$50.00**.

**That is an ongoing fee – not just one time.**

I have enclosed a brochure and some business cards for you to display on the staff bulletin board. This discounted service has been provided to school personnel for the past three years. After the abuse of various first responders in the past year or so, I decided I needed to do something to show respect and appreciation.

Thank you for your service and please pass this along to your personnel. If you will email me your email address I will send the brochure as an attachment and you can pass it on to everyone.

As a reference for your inquiries I do the tax returns for several school employees of Estacado High School, Coronado High School, LISD Central Office, LISD Police Department, Lubbock Cooper, Evans Middle School, Joan Ervin Elementary, Dunbar Preparatory School, Odessa High School, Allen High School and Canyon Randall High School. Also, several first responders with Lubbock County S.O. and Lubbock Fire Rescue.

I am sending this information early so everyone can get ready for deductions that many people miss. There is a checklist on my website. Feel free to call if you have any questions.

Thank you,

Glen Cranford
